## **VIA Packs Candy for "A Soldier's Hands" Mailing**

**DOYLESTOWN** – Members of the Village Improvement Association (VIA) of Doylestown's Veterans Committee helped "A Soldier's Hands" founder Trish Shallenberger pack donated Halloween candy for shipment to deployed military members.

The charity, which grew from a chance meeting with a deploying soldier with chapped hands, sends toiletries and other supplies to military units. Each "goodie bag" is individually wrapped along with a note from a school child or community member, and tied with curling ribbon. All the chocolates were packed for immediate mailing. The remaining candies will be included in future mailings.

For more information or to volunteer, email Trish at [trish.shallenberger@gmail.com](mailto:trish.shallenberger@gmail.com).

Pictured, L-R: Edi Eisenbraun (VIA), Trish Shallenberger, and Joan Logrando (VIA).
