## **Village Improvement Association of Doylestown donates to Washington Crossing National Cemetery**

**DOYLESTOWN** — The Village Improvement Association of Doylestown (VIA) donated \$800 to the Washington Crossing National Cemetery at their January meeting to support the cemetery's ongoing beautification programs.

Greg Whitney, Director of the National Cemetery, accepted the donation and spoke briefly about the 205-acre site, located three miles southwest from the location where General George Washington crossed the Delaware River. The facility, which is maintained by the U.S. Department of Veterans Affairs, encourages volunteerism and accepts donations to help create a beautiful, serene environment for visitors. (For more information see <http://www.cem.va.gov/cems/nchp/washingtoncrossing.asp>.)

For more information about the VIA, visit [via-doylestown.org](http://via-doylestown.org).
