Village Improvement Association Board Collects Clothing for ANA

Doylestown, PA – Several VIA Board members assembled clothing items for members of Doylestown Health to take with them on their journey to the Southwest where they will provide health screenings for school age children, through the Americans for Native Americans program.

Pictured here are (from left to right): Second from the left is Marianne Chabot, immediate past President of the VIA. Dottie Prior, RN, is the third from left.

##

The Village Improvement Association of Doylestown was founded in 1895 to support and enhance the quality of life in Central Bucks County. In 1923, the VIA opened Doylestown Hospital and today, VIA members continue to oversee the governance of this award-winning healthcare system. The organization has grown to more than 300 members and still pursues the goals of the founding members through service and education. The VIA's largest fundraiser is the Bucks County Designer House & Gardens, a Community event that draws 7,000 visitors each year.

For more information about the VIA and membership opportunities, please visit our website, www.via-doylestown.org or call (215) 345-2347.
