VIA 125th Anniversary Celebrations

In 1895, a group of civic-minded women gathered for the first time to form what would later become the Village Improvement Association of Doylestown. Over the years, the VIA has worked diligently to fulfill its mission to improve the health and welfare of Central Bucks County and surrounding communities. In the year leading up to its 125th anniversary, we paused to celebrate the organization, its stellar past and the wonderful members and community supporters who help make its mission possible today. We would like to thank the individuals and businesses below for supporting us in our celebration.

Dr. Donna Angotti

2020 Bucks County Designer House & Gardens

In 2020, the annual Bucks County Designer House & Gardens was scheduled with the help and generosity of many of our business and community partners. With plans well underway, we had a very successful Empty House Party in February. However, it soon became apparent that we would have to cancel the remaining events for the health and safety of our staff and guests due to the COVID-19 pandemic. At this point, many businesses had already committed to being sponsors. Advertisers had purchased space in our Guidebook. Gala attendees had bought their tickets. Interior Designers had begun painting. In addition, the Designers along with the Landscapers and Boutique owners were ordering supplies.

In our Guidebook each year, we thank those who help make the Designer House possible. Even though that publication was also cancelled, our gratitude remains undiminished. The VIA could not host this annual event without the support of so many. Therefore, we would like to acknowledge the following individuals and businesses for their donations and hard work without regard for financial reimbursement or refunds. Please know that because of you we were still able to donate \$62,750 to Doylestown Health as well as two mission-driven committees of the VIA—Welfare and Community Response—in spite of cancelling the 2020 Bucks County Designer House & Gardens. THANK YOU!
